SENIOR HISTORY

The time has come to say good-by
To our past four years at ole K. C. High
Let's go back and look at the fun
Remembering the things our class has done.

We started out like classes before
But this Freshman class had just a bit more!
More of the things that it will take
To make a great class really great!

Our Freshman year was really a blast!
Though our Halloween float did come in last!
As Sophomores we had our Sock Hop
Not many kids but not really a flop.

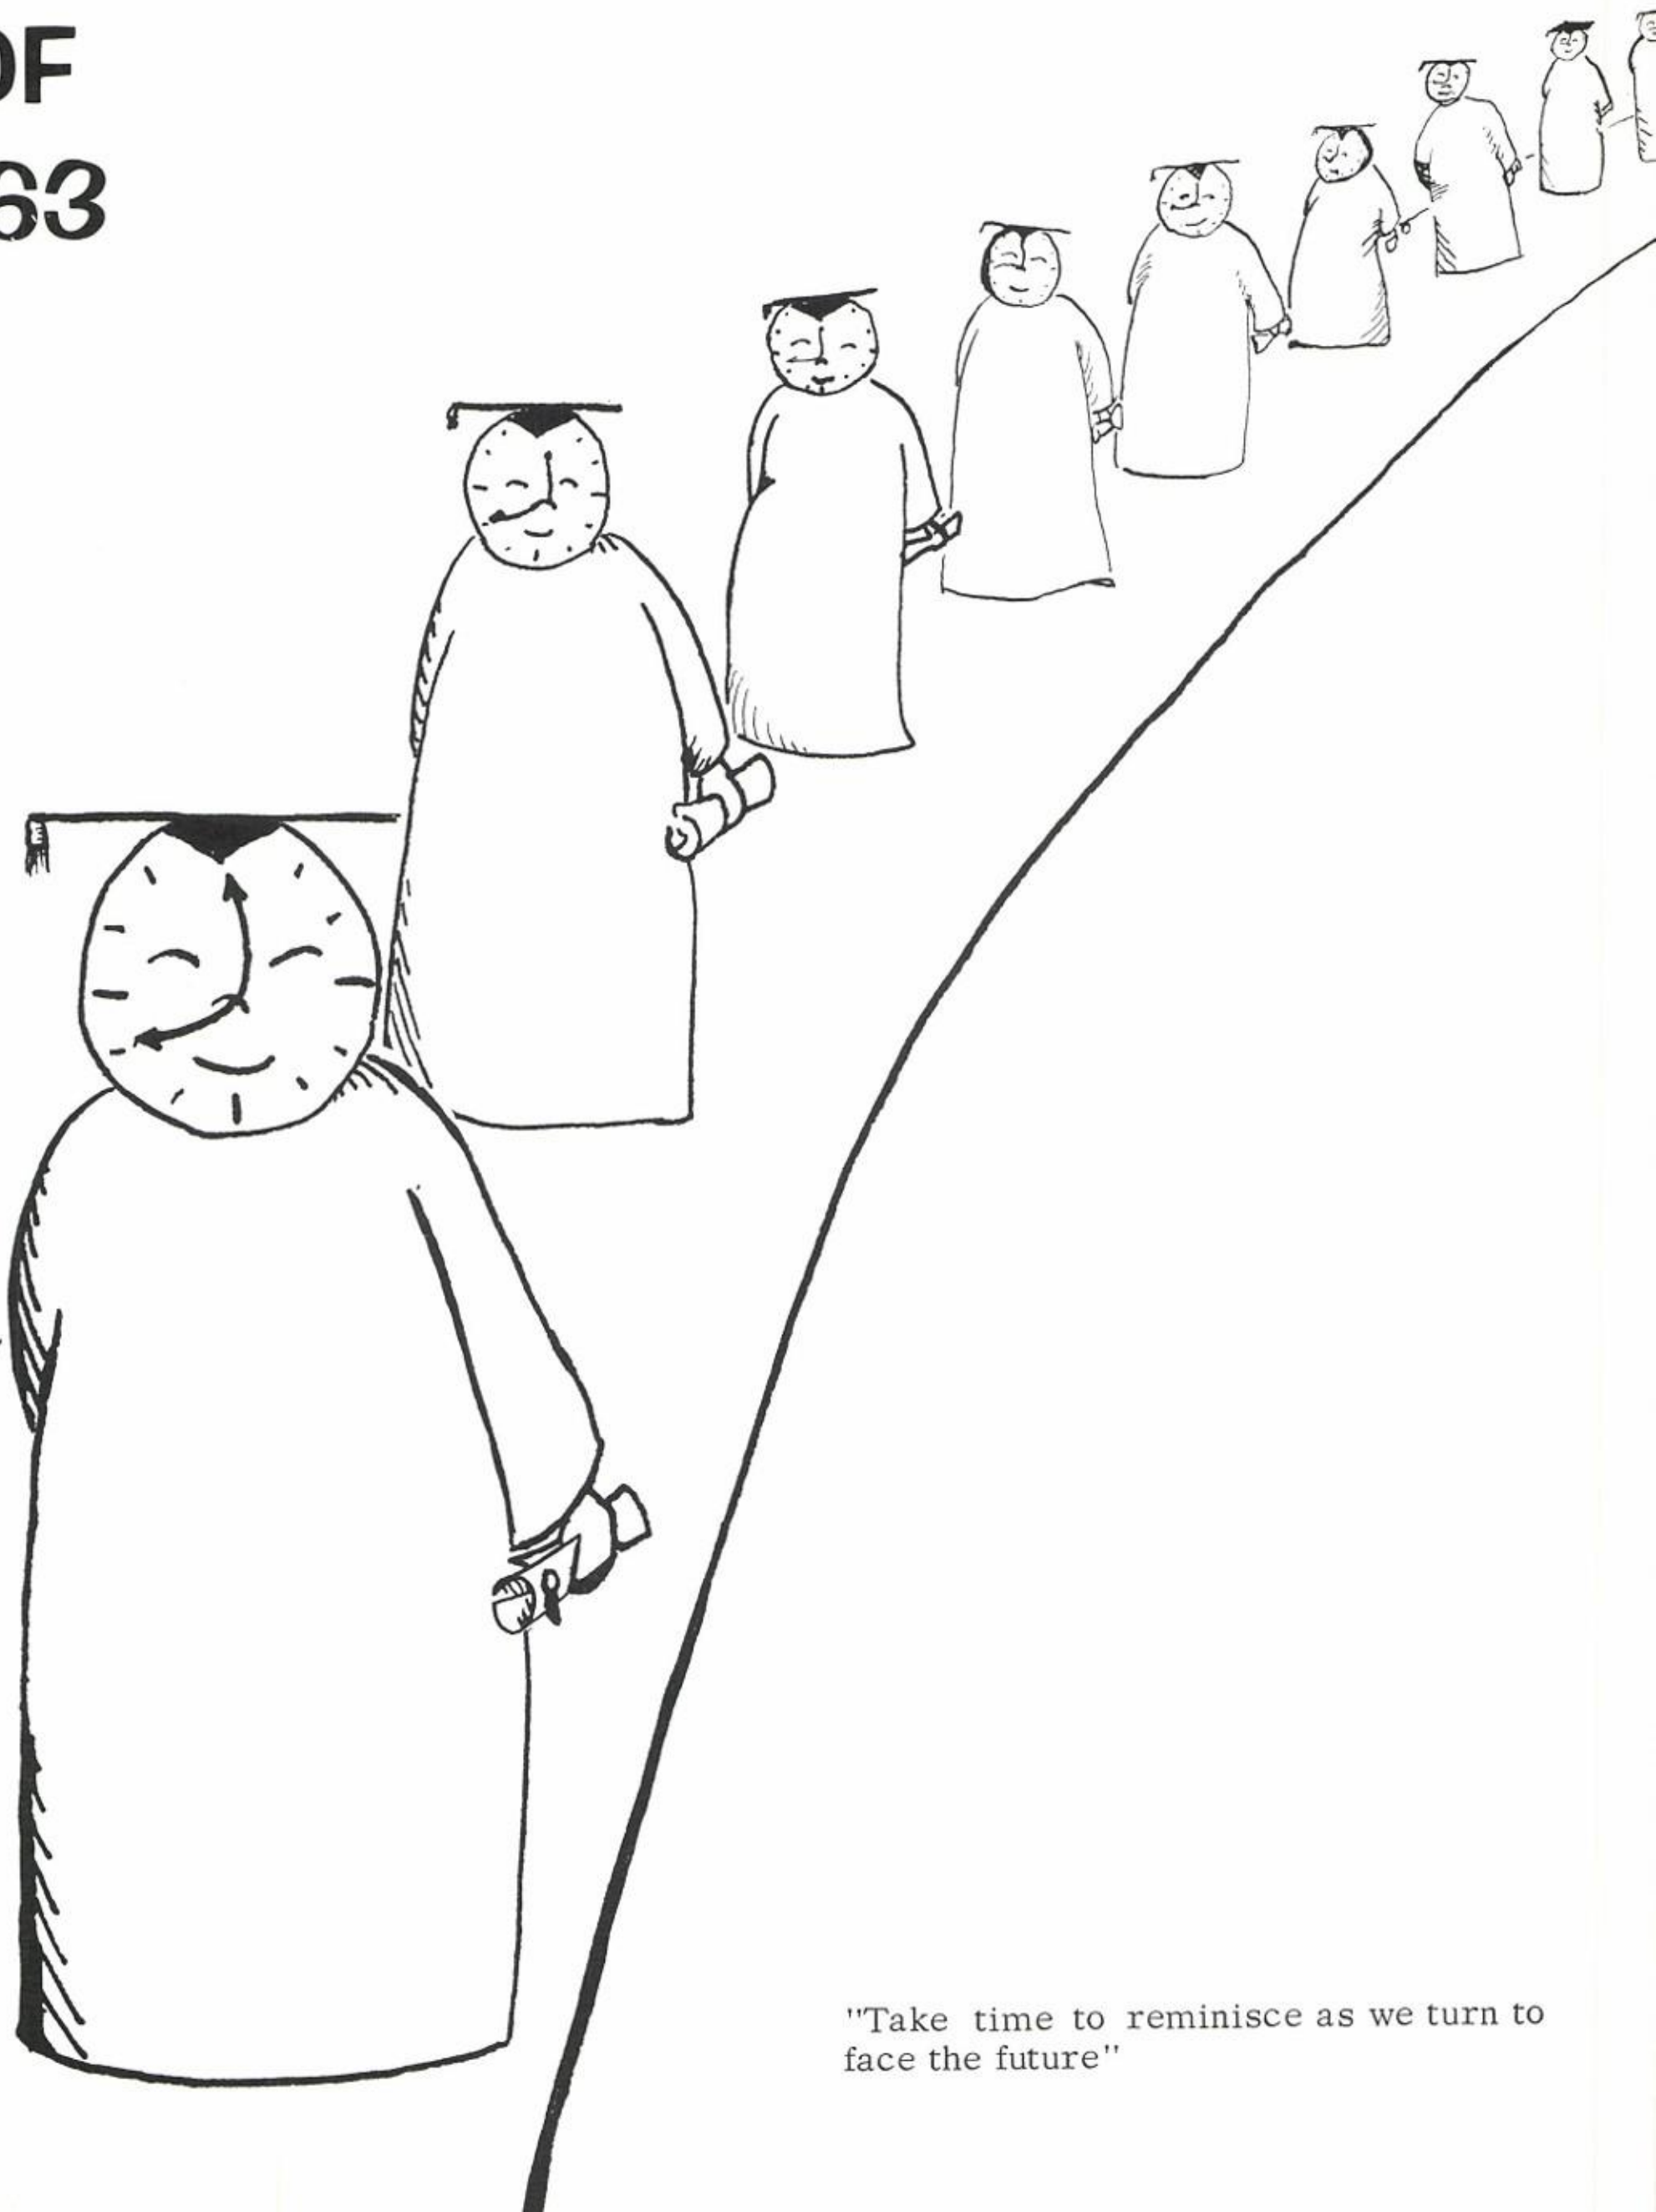

As Mighty Juniors we would say
"Everyone come to see our first play"
Not only did they come to see our play
Everyone enjoyed our Prom "Perisian Holiday."

The year went by Oh so fast
And here we are SENIORS at last!

It doesn't seem possible for us to be
The graduating class of '63.
We leave you now as classes in the past
Hoping you'll take over the task.

Farewell to classmates, teachers, and friends
The years were great but all greatness must end.

WELCOME DANCE

**NIC HOLTER
OUR AFS
STUDENT.**

A SCANDINAVIAN VIKING AMONG THE MUSTANGS

Everyone at KCHS knows Nic and will long remember him after his return to Oslo, Norway where he was born Nicola Kiaer Holter. Nic, the tall, good-looking and always-interested senior has been the adopted son of the William H. Dye family.

The former Scandinavian Viking surprised us and himself, too, by playing football on our Varsity Mustang team this last fall. Nic gives a broad smile while mentioning this and remarks how he will miss football when he returns to Europe again where they don't have this fascinating sport. One of the many things he will take back with him to his country is an American football, and he says this will help to remind him of our exciting games in our football stadium.

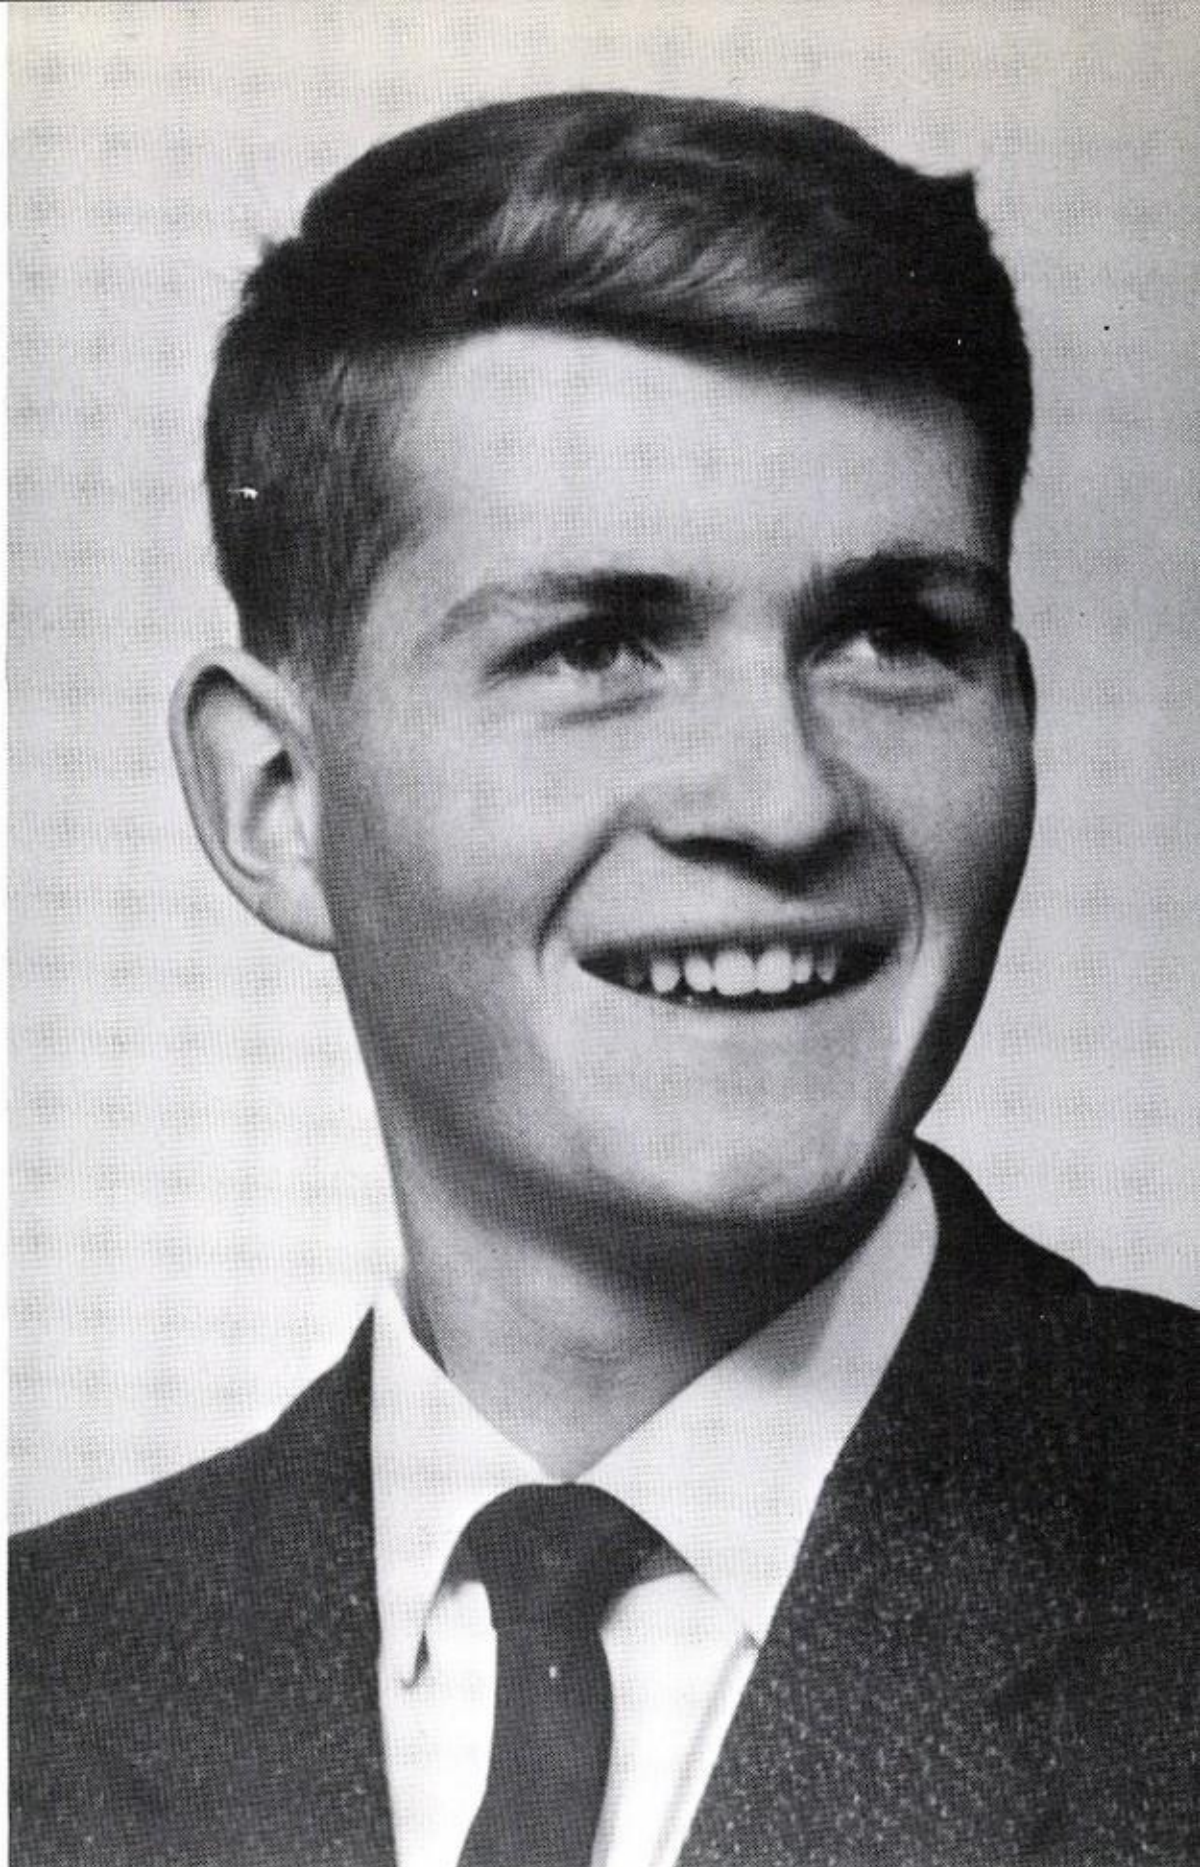

Although Nic didn't go out for basketball and baseball he remarks that they have also been new and enjoyable sports for him. He said he's also going to miss our fancy rallies and crowded after-game dances when he returns to Norway. He definitely would like to take some of these customs to his school in Oslo, which has fewer activities and school-sponsored sports but more studies. In many ways his native education system is very different from ours: for instance, Nic's year at KC will not count in his school in Norway, and he will have two more years before his graduation there. The active senior has found his American schooling extremely interesting. His schedule this year included English IV, French II, Civics and Economics, Physics, Physics lab, Typing and P.E. Physics taught by Mr. Regier was his favorite subject.

In addition, Nic will be remembered for his part in our senior play, "The Diary of Anne Frank."

When Nic returns to Europe he plans to continue school and to attend a university there. At the University, he would like to major in the science field for a civil engineering degree in electronics.

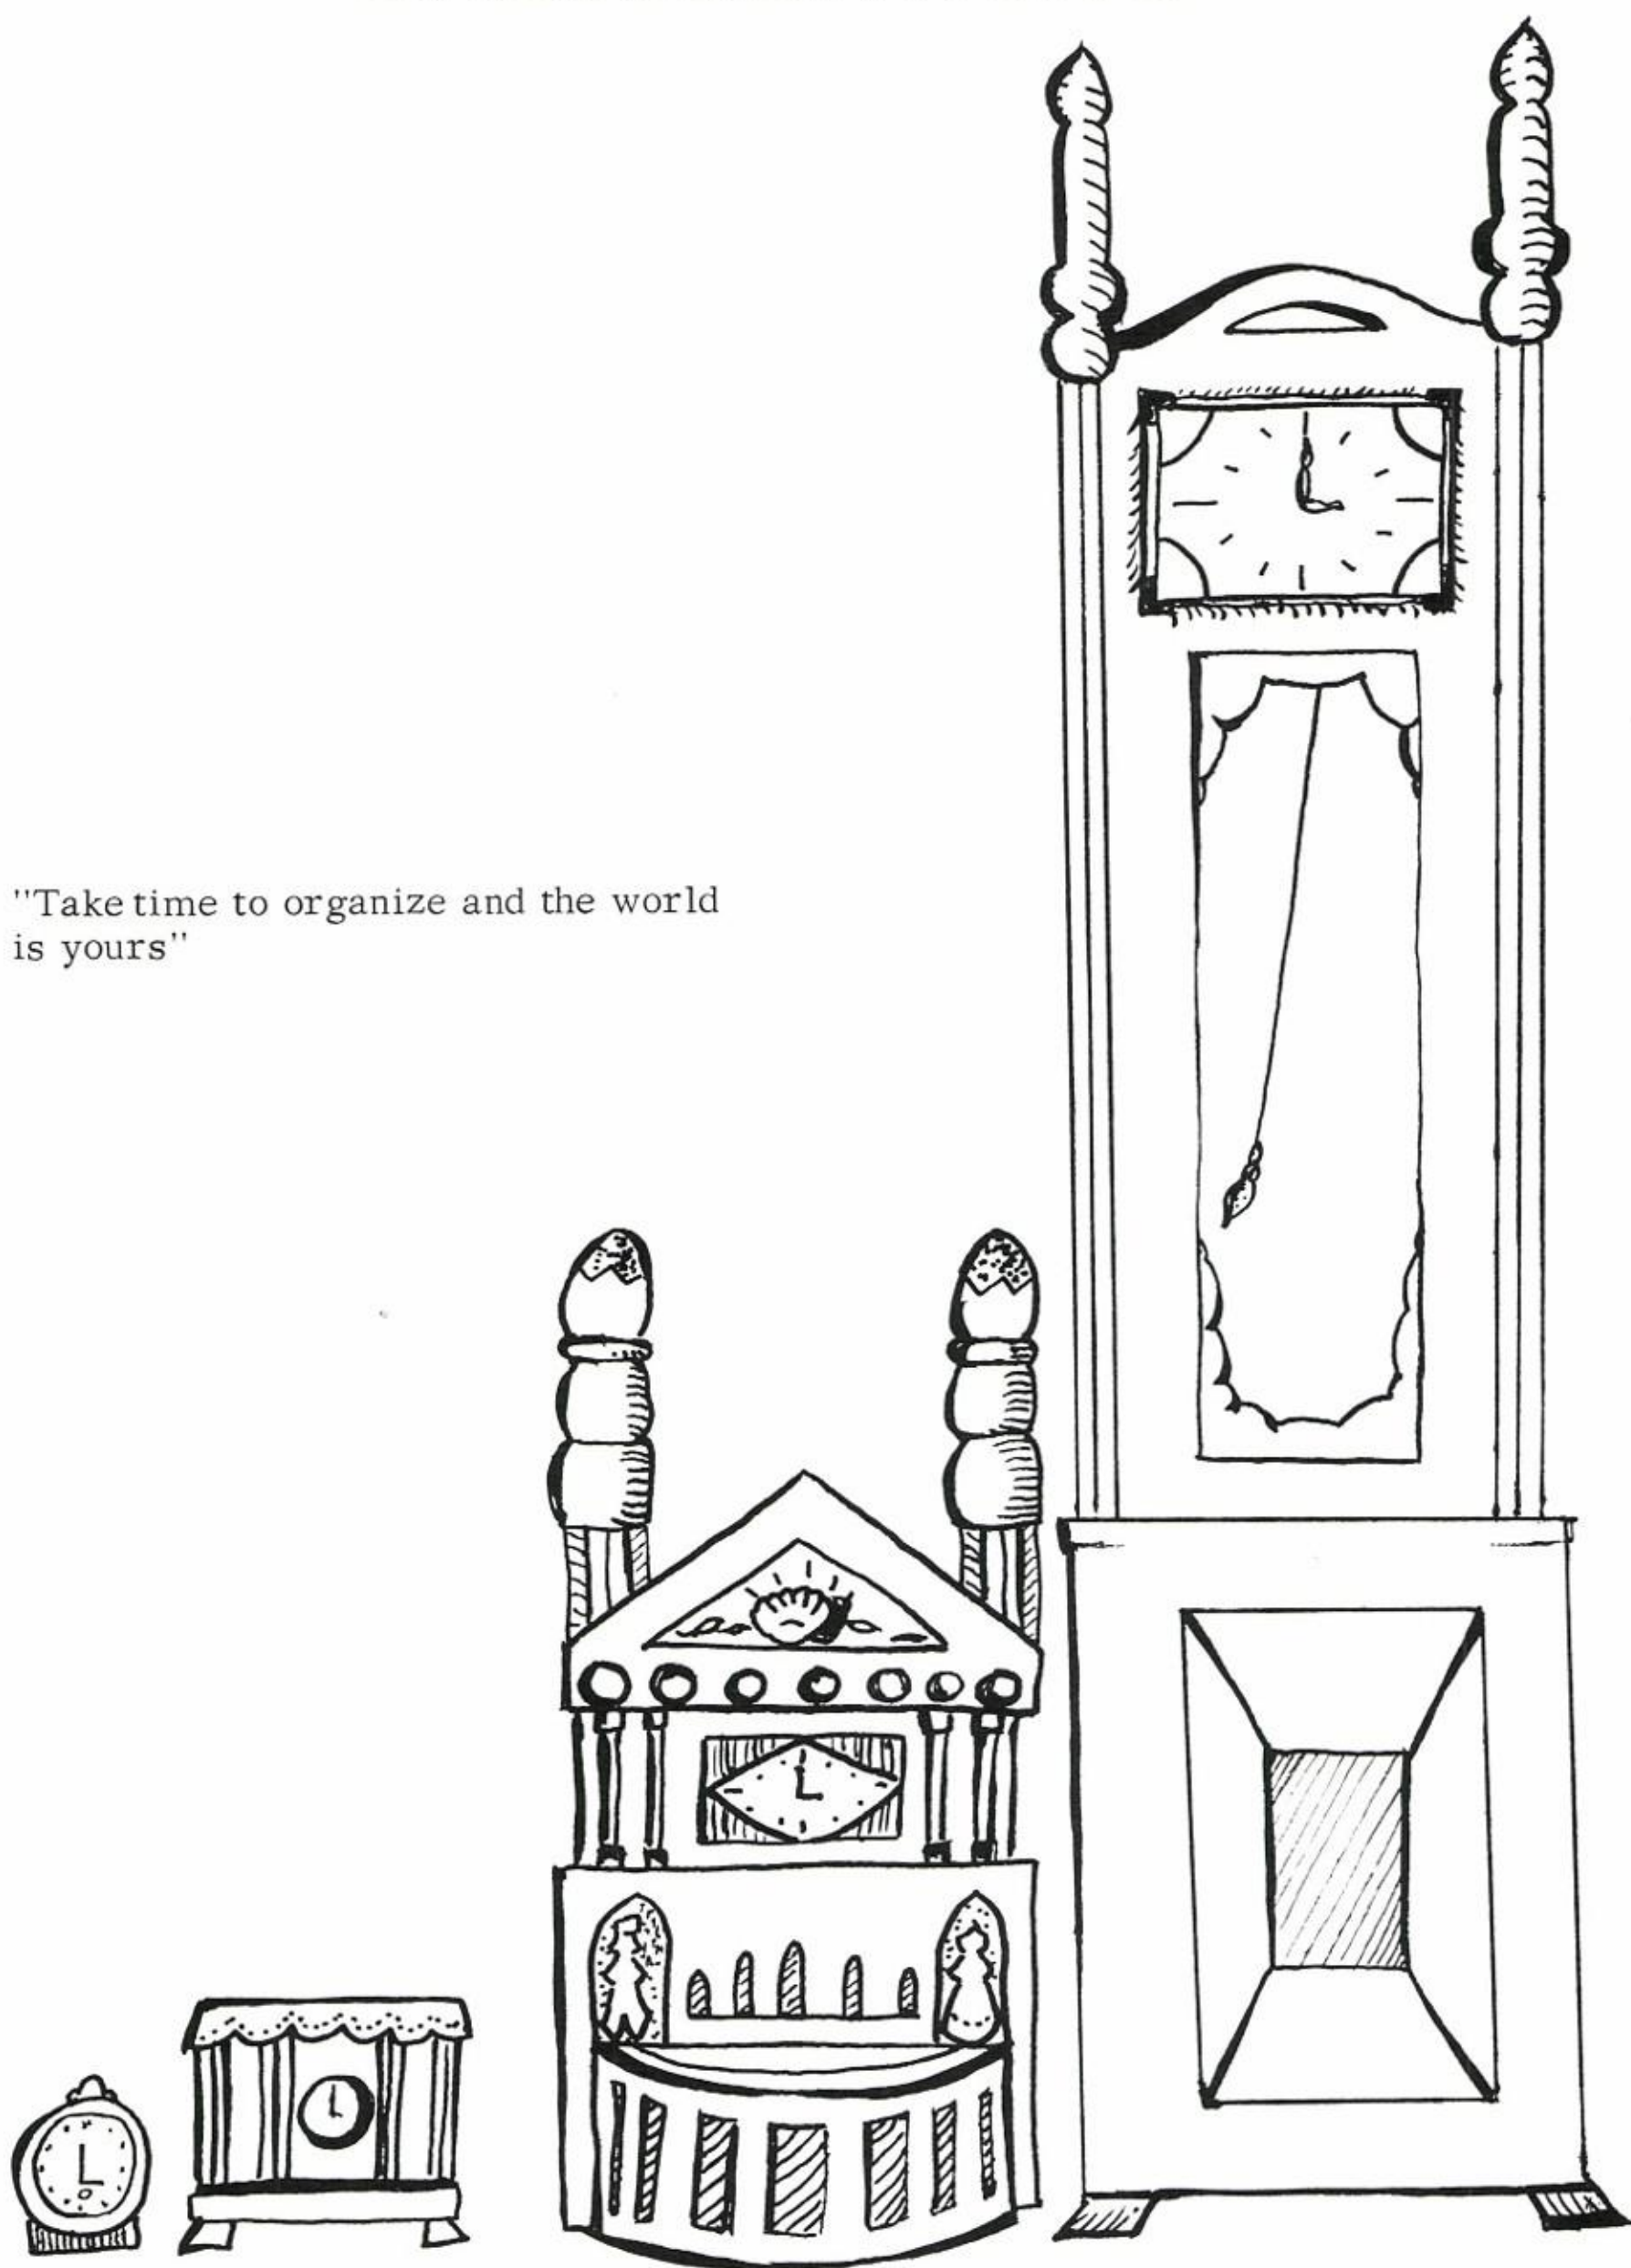

With his family Nic has been to Sweden, Denmark, Israel, Great Britain, Rome, Greece, Egypt, Lebanon and Jordan. His father teaches foreign language in the Gymnasium, (high school), in Oslo. Traveling so much has brought Nic a great desire for seeing, meeting, and learning about foreign people and their countries. And anyone who has ever talked with him knows he is curious, interested and anxious to learn.

Nic has taught us as much as he has learned himself this year; he has been a fine representative and good-will ambassador for his country.

'the diary of anne frank'

senior play

December 7 and 8 the Senior of King City high school present the story of Anne Frank, a saga of the World War II Hitler's atrocities. According to Mr. Charles Osborn, drama director, this drama is a very difficult one for a high school cast to undertake. But he says it should surely be a worthwhile evening of fine entertainment for the audience.

The story is presented by means of the diary of young Anne Frank. Forced to flee from their home to escape the German Gestapo, the Jewish Frank family and their neighbors, the Van Daans, found protection in Mr. Kraler's warehouse. There, in one room, they eat, sleep and carry on their daily living; their only connection with the outside world was through Mr. Kraler and his employee, Miep, who brought food to the families at the risk of being captured themselves.

The play is however, not one of tragedy alone, but has much of the warm humor of Anne who saw every day in her new home as a true adventure. She forms a firm and fond acquaintance with Peter Van Daan, a shy boy dominated by his aggressive mother.

Into the scene also comes a Jewish dentist, Mr. Dussel, who seeks shelter in the warehouse also.

In a co-starring role with Anne Frank is Mr. Frank, who lends a note of patience, direction and calm to the problems which develop as the Gestapo moves in

**City Seniors to
Present 'Anne Frank'**

KING CITY — Weeks of hard practice and numerous rehearsals will culminate Saturday night when the senior class of King City high school presents its traditional play. The cast, directed by drama coach Charles Osborn, selected "The Diary of Anne Frank," the nostalgic and heartwarming account of how a young Jewish girl found life and love in cramped hide-out quarters in war-torn Holland. The public performance will be held in the school auditorium, with curtain time set for 8:15 p.m. Price of admission \$1.

The action is all within a house, where the Frank family, others have sought refuge to flee their daily life, the Gestapo, eat, sleep and their

THE TORCH BEARERS'

JUNIOR CLASS PLAY

DIRECTOR — CHAS. OSBORNE

'The Torch Bearers' Chosen As Junior Play for 1963

"The Torch Bearers," a play about another play, has been chosen as this year's junior play. It will be presented by the Class of '64 on March 23.

"The Torch Bearers" is a comedy about a group who put on a play in which everything goes wrong—accidentally of course. According to director Charles Osborn it should prove to be a laugh-filled performance providing the students do a good job in presenting it.

Rehearsals for the production started last week and are held every day a week. On Mondays, Wednesdays, and Thursdays from 7 to 9:30. This will continue until Tuesday when dress rehearsals will start in the
